

# Sales of Japanese Products in Europe

**CHRONIX Europe is responsible for the sales of Japanese products in Europe.**

- NED : CMOS Line Scan Camera
- TECHNOSCOPE : IEEE1394 board
- TECHNOSOFT : CMOS Area Camera
- BELLNIX : DC-DC Converter
- CHRONIX : Non-destructive X-ray Equipment

**CHRONIX**

**Sales of Japanese cameras / components  
in Europe**

Contact in Germany: VISTAS GMBH

TEL : +49 89 9292 8090 E-mail : info@vistas-gmbh.de

## NED

### CMOS Line Scan Camera 8k

**XCM8040SA  
XCM8060SA**

- Wide dynamic range (106dB)
- High speed readout (240MHz)
- On-chip ADC (10bit)
- Power Supply (DC12~15V)

## TECHNOISOFT

### High speed CMOS Area Camera

**3D Camera for slit laser light  
for thickness measurement**

- 1,280×1,024 486frames/sec
- 1,280×64 7,462frames/sec
- Frame = 66MHz
- Global shutter : 2 μs~500ms

## NED

### CMOS Line Scan Camera 6k

**XCM6040SA**

- Wide dynamic range (106dB)
- High speed readout (160MHz)
- On-chip ADC (10bit)
- Power Supply (DC12~15V)

## TECHNOSCOPE

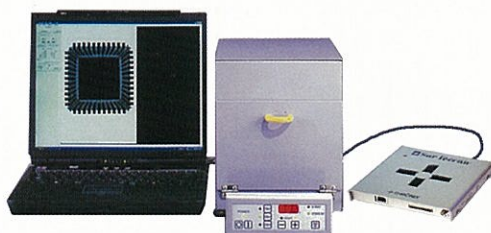

### IEEE1394 b Quad OHCI PCI-Express (x4) Host Adapter PFW-88

- Transfer rate  
100 200 400 800 Mbps
- 9 pin , 4 port
- PCI-Express (x4)
- Weight : 57g

## CHRONIX

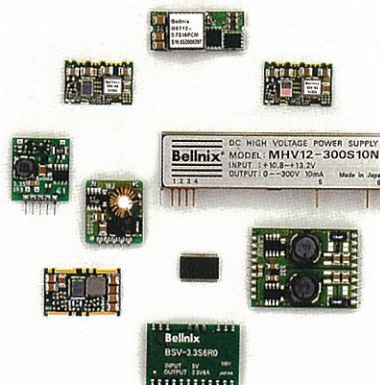

### Sur l'ecran Industrial Type-S X-ray Nondestructive Inspection Equipment

- Resolution : 20 lp/mm
- Mainbody : 200×240×360 mm
- Area : 20×30 mm , 960 k pixel

## BELNIX

### DC-DC Converters

- MCM-IC
- POL
- Isolated Type
- High voltage
- Ultra low noise
